

PCH-802

Type of insulator: 4 layers high density shielding

Support HDR, CEC expansion, 3D,4K

Audio return channel: 32 channels

Support Ethernet network

Resolution: 3840\*2160\*60hz, four times 1080p

Bandwidth: 18Gbps

HDMI 2.0V

Color DEPTH: 10BIT

Support 21:9 wide screen

Tv refresh rate: 120hz

Support 3D, 4K

Conductor: 4N oxygen free copper conductor, 19+1PIN

Jacket: environmental PVC plus Nylon woven web

Zinc alloy shell, anti-rusting, durable and shielding electromagnetic interference

Gold plated connector, plug and pull resistance, for over 5000times, long working life

1m-3m: 30AWG 5m-8m:28AWG 10m-12m:26AWG 15m-20m: 24AWG 20m-80m: 24AWG adding booster

Cable over 20m is middle to long distance transmission, the booster has directivity, the cable over 20m

showing output and input side, please connect it correctly.
